Respected, Sir/Madam

My name is Saifali and I'm pleased to apply for the position. I was excited to find this job opening and felt that my skills and studies makes me perfect for this position.

As a student of Lambton College and my studies in back home India through which I have gained solid knowledge which allow me to hone my interview with knowledge of Html, CSS, Bootstrap, UI-kit, java Script, jQuery, java and Data handling techniques, which are core part of my studies. While working for Aga Khan Education Board I have developed excellent interpersonal skills and was able to handle pressure and solve problem and get them with the effective solutions. I believe I can lend some expertise to this position with my skills and techniques to work for the betterment of organisation

I've enclosed my resume, with further details of my education and experience. I look forward to the opportunity to discuss my skills and qualification in person at your earliest convenience. I can be reached via email at saifalidhuka@gmail.com . Thank you for your time, and I look forward to hear from you soon

Yours, Sincerely

SAIFALI DHUKA.
